MEMORANDUM FOR: See Distribution

FROM: John J. Hicks
Deputy Director, NFAC

SUBJECT: Foreign Language Program in NFAC

REFERENCE: 19 December 1978 Memo from John Hicks to Director,
NFAC on "NFAC and Foreign Language Competence--
Policy and Program"

25X1

1. I want to move ahead with plans and programs in the subject area. In order to do so, I need a competent, progressive person who will act as our NFAC Dean of Foreign Languages and assist you and me in developing and executing those plans and programs. The person will work with me and with [redacted] and others involved in the existing Agency language incentive program.

2. By 2 March I should like your nominations of persons who could perform this role. You should consider it as an "additional duty" assignment--a responsibility additional to your nominees present duties. If you have no nominee, a note to that effect will be expected.

[redacted]
